Curriculum vitae

Personalities. *Name:* Andriy

Family name: Panasyuk

Date of birth: September, 6, 1963

Nationality: Ukrainian

Education. *Undergraduate:* Lviv National University, Department of Mathematics and Mechanics (1980-1985)

Postgraduate: Lviv National University, Department of Mathematics and Mechanics (1986-1989)

Scientific degree: Candidate of Sciences in Physics and Mathematics (corresp. to Ph.D.), Lviv National University (1991)

Thesis. *Title:* Investigation of Complex Local Lie Algebras

Scientific supervisor: Prof. Alexander Pankov (Lviv National University)

Referees: Prof. Alexander Kirillov (Moscow State University), Dr. Sergii Pidkuyko (Lviv National University)

Employment. *Current:* - Associate Professor at University of Warmia and Mazury at Olsztyn, Faculty of Mathematics and Computer Science (from 2010)

Previous: - Probating instructor at Lviv National University, Department of Mathematics and Mechanics (1985-1986)

- Assistant Professor at Lviv National University, Department of Mathematics and Mechanics (1989-1995)

- Assistant Professor, Temporary Research Position at Institute of Mathematics of the Polish Academy of Sciences (from October 1998 till March 2000, and from October 2005 till March 2007 being on leave from the University of Warsaw)

- Assistant Professor at University of Warsaw, Department of Mathematical Methods in Physics (1995-2009)

Teaching experience. *Practical classes on* Calculus, Linear Algebra, Theory of Functions of One Complex Variable, Differential Geometry, Functional Analysis, Mathematical Physics (group theory, special functions)

Lectures on Algebra, Differential Geometry, Functional Analysis

Special courses on Complex Analysis of Many Variables, R-matrix and bi-Hamiltonian Formalism in Completely Integrable Systems

Scientific visits. - One month fellowship at the Erwin Schrödinger International Institute of Mathematical Physics, Wienna, Austria (1994)

- Visiting Complex Analysis Group at Ruhr-University, Bochum, Germany (two weeks in 1996, two weeks in 1999, 1,5-month in 2001)

- One month Visiting Professor position at Lille University, Group of Complex Analysis, Lille,France (1997)

- Visiting Mathematical Department of Debrecen University, Hungary (1 week in 2000)

- Visiting Mathematical Department of Linkoping University, Sweden (1 week in 2000)

- Visiting SISSA, Trieste, Italy (1 month in 2008)

- Visiting Mathematical Department of Bicocca University, Milan, Italy (1 month in 2008)

Organization of conferences. - "Multihamiltonian structures: geometric and algebraic aspects", main organizer (Będlewo, Poland, 9-17.08.2001)

- "8th Conference on Geometry and Topology of Manifolds" - Luxembourg-Poland-Ukraine conference (Lie algebroids, dynamical systems and applications) 30.04.2007 - 6.05.2007, Przemyśl (Poland) - Lviv (Ukraine)

- "30 years of bihamiltonian systems", main organizer (Będlewo, Poland, 3-9.08.2008)

- "Frobenius structures and singularity theory" (Będlewo, Poland, 25-29.08.2008)

- "Bihamiltonian geometry and integrable systems" (summer school), main organizer (Będlewo, Poland, 28.08-2.09.2011)
